Columbiana County MR/DD Hosts Community Employment Dinner

(Chester, WV)- On Thursday, April 26, 2007 The Columbiana County Board of MR/DD will honor citizens with developmental disabilities and their employers at a dinner hosted by Mountaineer Gaming Resort at 7pm. After dinner there will be the awards presentation.

Our community is blessed to have these hard working, dedicated individuals that labor to achieve their personal goal of working within the population and equally as honored to have local businesses to support them.

Join us in appreciation of these people with developmental disabilities and their employers as we "FOCUS ON WHAT THEY CAN DO."

The Columbiana County Board of MR/DD provides services to individuals with disabilities and their families in Columbiana County. It is this organization's mission to be a primary community force that enables eligible individuals to work, live, learn, play and participate as equal citizens in their communities. The driving forces behind these efforts are the agency's volunteer board members, as well as staff, families, affiliated agencies, advocates and the individuals served by this organization.
